Hi Paul,

Thank you so much :) Sure, let us distribute it as a Chocolatey package too! Please let me know if some action from our side is required.

- Ilya Finkelshteyn, AppVeyor

Hi Ilya,

Awesome work on AppVeyorByoc - really keen to get working with it!

I thought I'd check that you are happy for me to distribute the module (as it comes from PowerShell Gallery) in a Chocolatey package?

Kind regards,

Paul Broadwith
